Thanks for your flexibility. Matt and I will work on dates and get back to you once we know. I'll be out of the office after today until next week - Happy Thanksgiving to you, too.

Ok. Please give us some dates for either a meeting in Denver or a conference call. We'll see what we can do on our end.

You guys enjoy your Thanksgiving.

Thanks for your time today, we really appreciate your ongoing input and participation.

We agree that a face to face meeting would be ideal - but we see any such discussion as best being held here in Denver. Thanks for your invite, though, and we'll be in touch.

Matt, Mia: We'd like to reiterate our invitation for you to come to Park City. We think the liability discussion would be best had in person as EPA can present its understanding of our role and we can provide an immediate response. Short of a visit here, we'd like to schedule a call on this topic as soon as possible. Please let us know your availability.

Thanks. Joan
